8. UN and multinational agencies
9. Africa's Agricultural, Power generation, Mining and Oil & gas drilling camps

African Manpower Supply Experts

Why hire African Manpower:

In our selection of countries that we continue to provide Manpower from, the following advantages have been put into consideration

1. Sourcing Manpower from Anglophone (English speaking) countries and therefore the candidates provided have a good mastery of English language.
2. African workers are obedient, hardworking, resilient and focused. They are usually highly productive when given a conducive working environment.
3. Candidates are always well prepared with ready passports hence reducing the period between selection and deployment.
